This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Public Communications Association (SCPCA) for a one (1) week extension of time to file testimony and exhibits in this Docket. Testimony is currently due May 14, 1997. The reason for the request of SCPCA is that Clifton Craig, one of SCPCA's witnesses, has been unexpectedly called out of town through the afternoon of May 13, 1997.

The Commission has examined this matter, and agrees that SCPCA may have a one (1) week extension of time to prefile testimony and exhibits up to and including May 21, 1997. As per usual, SCPCA shall file with the Commission and serve on all parties copies of its testimony and exhibits.

This Order shall remain in full force and effect until  
further Order of the Commission.
